Subject: Water Weekly Report for the Week Ending April 14, 2017

Current and previous Weekly Reports are available at the Water Division SharePoint Site:

Personal Matters / Ex. 6

(note: the ARA reads the Divisional weeklies the following Monday which is why the items listed under 'Last Week' are for activities occurring this week and 'Significant Items for This Week' are items for next week.)

**WEEKLY REPORT
Region 9
Environmental Protection Agency
Week Ending April 14, 2017
Water Division**

Upcoming Hot Issues and Important Deadlines

Aquifer Exemption in Kern County: We expect to take action this upcoming week on the State's request for EPA

Unrelated/unresponsive record

Meeting with Corps of Engineers on Rosemont Mine: The Corps South Pacific Division, which is considering the LA District's proposed denial of a 404 permit to the Rosemont Mine, is convening a meeting in Phoenix on 4/18 focused on water quality and regional hydrology. The meeting will include the mine and other non-federal stakeholders who have previously commented and will be followed by a closed-door session with USFS and EPA Water and Enforcement representatives. (Brush 2-3483)
